Why Minerva? (Problem Statement)

- Students feel that it's hard to have a voice, while professors feel that it's hard to keep students engaged
- This lack of communication hurts both sides
- Meaningful discussion disrupts lecture
- Sakai, Canvas, Piazza are inadequate and not integrated

What is Minerva? (Our Solution)

- Web & mobile based educational software suite
- Incorporates useful features of several different applications into one convenient service
- Features
 - Web App
 - Announcements, Forum, Quizzes
 - Mobile App
 - Live Feedback, Attendance, Polls
